"La Santidad Extrema"

El deber del hombre, en la medida en que se eleva de lo vulgar a lo santo, consiste no en que alcance lo que la naturaleza no puede concebir, sino que traspase lo que la naturaleza puede concebir. Pues, si en la medida de lo que se puede concebir se alcanza lo que no es concebible, no es ya homenaje de la divinidad, sino el delirio de la locura. De lo cual se deduce que el que está en la grandiosidad de la divinidad es quien se eleva de lo que se puede concebir a lo que no se puede concebir. Y por consiguiente, el hombre que está en la divinidad es aquel que supera lo que puede concebir, el cual supera lo que puede concebir en tanto que concebible, y lo que no puede concebir en tanto que no concebible. El que está en la divinidad es aquel que supera lo que puede concebir, y el que está en la divinidad es aquel que supera lo que no puede concebir. El que está en la divinidad es aquel que supera lo que puede concebir, y el que está en la divinidad es aquel que supera lo que no puede concebir. El que está en la divinidad es aquel que supera lo que puede concebir, y el que está en la divinidad es aquel que supera lo que no puede concebir.

TIMELINE/BIOGRAPHY

May 2011
San Agustín: Donde se abrió la historia

Mons. Agustín Romero reflexiona sobre el nacimiento de su "hijo espiritual", Mons. Felipe de Jesús Estévez, como nuevo obispo de San Agustín.

Mons. Agustín Romero

Desde la década de los 70, en que descubrió la vocación sacerdotal en Florida, Mons. Felipe de Jesús Estévez ha sido testigo de la evolución de su nuevo hogar. A mediados del siglo XX, la Diócesis de San Agustín era una pequeña parroquia en la Florida, pero hoy es un gran centro religioso en el sur de Estados Unidos.

La Diócesis de Florida, que comprende los condados de Miami-Dade, Broward y Palm Beach, ha experimentado un crecimiento significativo en los últimos años, tanto en términos de población como de fiestas religiosas. Mons. Estévez, que ha servido como obispo desde 2011, ha sido testigo de este cambio y ha sido un líder activo en la comunidad espiritual de Florida.

Mons. Estévez ha sido un defensor de la educación religiosa y ha sido un apoyo constante para las escuelas católicas en la Diócesis de San Agustín. Ha sido un líder en la lucha contra la pobreza y ha trabajado para mejorar la educación en la comunidad.
