THERE'S NO PLACE LIKE "FOREST TRACE"

Forest Trace. Especially the pond.

The Cardinals love everything about it. Even when it's just our own regional pond. In the center it's clear water, which appears to be a small body of water. In the distance, the water is a deeper shade of blue, creating a beautiful contrast between the two. The pond is surrounded by various plants and trees, adding to its natural beauty. It's a peaceful and serene location, providing a perfect place for relaxation and contemplation.

HOW TO FIND US:

1. Take I-75 North to the 28th Street Exit.

No hay vacaciones de la misa domingal

Cardenal Norberto Rivera, Obispo de la Diócesis de Miami, nos envía esta carta a todos los fieles. En ella, el Cardenal explica la importancia de asistir a la misa el domingo, independientemente de nuestras actividades diarias. Resalta que la misa es una forma de unirnos con Dios y con nuestras comunidades espirituales. También hace hincapié en la necesidad de estar presentes en la misa para hacer acto de fe y para recibir el Sacramento de la Eucaristía. El Cardenal finaliza su carta con un llamado a la reflexión y a la acción, invitando a todos a reflexionar sobre la importancia de la misa en nuestra vida cotidiana.

The Haitian-American Community has contributed $25,000 to the project, with plans to raise $1 million more. The mission's goal is to raise $2 million.

The church will be built on a 3-acre site in Port-au-Prince, Haiti, and is expected to be completed in 2013. The mission's leaders say they hope to have the church open by the end of 2013.

TRAVEL VITALITY to World Youth Day

A week of national and international celebration of faith and spirituality, the World Youth Day (WYD) is an event that brings together young people from around the world to promote peace, dialogue, and spirituality. Hosted by different countries every few years, WYD offers a unique opportunity for young people to connect with one another and learn from each other's cultures and faiths.

The event typically includes a variety of activities, such as Masses, concerts, and cultural exchanges. Participants can expect to meet new friends, learn about different cultures, and deepen their understanding of their own faith. WYD is not just a religious event, but also a cultural and social gathering that celebrates the diversity of youth from around the world.

To get involved in WYD, you can visit the official website of the event or contact your local Catholic diocese for information on how to participate. Whether you're a young person looking to grow in faith or an adult interested in supporting the event, WYD is a wonderful opportunity to be part of a global celebration of youth and spirituality.
